Dear Stage Seniors

REF: MOVING TO SENIOR ACADEMY

Following our performances of **Little Shop of Horrors**, it is time for you to consider which group you wish to continue with.

There are 2 options:

1. Continue with Stage Seniors 10.45am- 12.15pm – we have just completed the 21C show and will be working next on new technique.
2. Move to Senior Academy 7.00pm to 9.15pm each Wednesday. This group is about to start rehearsing 'Jesus Christ Superstar'.

The Senior Academy is a class which is particularly aimed at those members who are seriously considering a career in the entertainment industry and are preparing to enter a vocational training school such as RADA, Arts Ed or the Brit School, or a related university course. As a result this group works at an intensive rate, taking part in festivals, twice-yearly shows and the optional trip to perform at the Edinburgh Fringe; this group is also encouraged to take LAMDA Acting or Musical Theatre exams.

If you do not wish to work at quite such an intensive rate, Stage Seniors is the better option.

If you have any questions about the possible move to Senior Academy, please call us at the Studios or email at the above address.

Well done, and keep up the very best effort.
